

Comenius project Wilds Minne School, Kristiansand, Norway

Wilds Minne primary school is looking for partners for a Comenius project. The objective of the project is to improve the participating schools learning strategies. The chosen target group is preferable pupils in the age 6-13.

1. **Project Idea:** We want to work within our learning strategy, called MILL (Many Intelligences, Learning strategies and learning styles) with other schools in Europe through Comenius. MILL is Wilds Minne school priorities

2. **Education:**

- ☐ kindergarten
- ☒ primary
- ☐ secondary education

3. **Project theme:** Learning strategies

Learning strategies is one of the themes the teachers in our school work with - our main focus area is called MILL; MILL is **M**any **I**ntelligences, **L**earning strategies and **L**earning styles.

4. **Project objective:** Improve the participating schools learning strategies and the implementation of these strategies. The objective will be reached through collaboration, exchange of experiences and peer evaluation among the participating schools.

Expected results:

The desired results are:

- Increased competence among the participating teachers.
- Increased understanding for the pupils in the participating schools
- Improved learning strategies when it comes to objectives, approaches, activities and implementation
- Improved performance on national tests and other assessment in core subjects for the pupils.

5. **Possible project activities:**

The project will focus on following phases:

- Information: Exchange of information about respective national school systems, information about chosen learning strategies and how pupils are involved
 - Communication by email
 - Mobility 1 (Meeting): Presentation between partner schools about their different learning cultures, approaches and learning strategies.

- Best practice: Exchange of experience on the chosen learning strategies and pupil involvement
 - Communication by email
 - Mobility 2 (Meeting): Presentation between the partner schools and discussion of the presentation.
 - Involving pupils in sharing experiences through social media/Wikis
- Evaluation: Assessment of the strengths and weaknesses of the different learning strategies. Possible recommendation on how strategies may be improved.
 - Communications of reports by the partner schools by email
 - Mobility 3 (Meeting): Presentation of results, discuss and agree on recommendation
 - Testing: Possible testing and implementation of some of the proposed recommendations of the partners

Project partners as required: Primary schools with pupils from 1st-7th grade.
