

Developing skills for a better future

Internship Offer for VET Students & Staff in Spain

Call for Proposals 2017

About us

euroMind is an international training consultancy & work placement provider based in Andalusia (Spain) specialising in the management of vocational training projects funded by Erasmus+ (K102).

Developing skills for a better future

PIC Number 948987279

Where we are?

5 Reasons to work with euroMind

Involvement in project preparation

More than 85% of the project applications prepared in partnership with euroMind have received a grant for their project delivery in the last 5 years!

Innovative training programmes

Detailed training programmes aimed at developing key skills for students and teaching staff. Added value for your project guaranteed!

ECVET Experts

euroMind assists in implementing ECVET system elements in project proposals thanks to our strong links with Spanish vocational colleges!

Extensive local network

euroMind has a network of more than 500 local partner companies, which allows us to secure work placements in even most demanding sectors!

Trustworthy host partner

euroMind has delivered more than 200 European projects in the past 5 years. We can provide references on request!

PLACEMENT SELECTION

In order to choose the placements matching the trainees' skills and expectations, euroMind analyse and match their profiles with the partner companies' requirements on the basis of the following elements:

- Work Placement Form
- Skype Interview
- CVs

MONITORING

- Provision of Welcome Pack, including practical information about the city & training programme
- Regular monitoring & evaluation visits to the trainees' work placements
- One-to-one sessions with the trainees to discuss their achievements
- Provision of the evaluation forms from the monitoring visits
- 24/7 availability of the euroMind team in case of emergency

CERTIFICATION

To validate the acquired skills, the participants will receive, at the end of their training, a complete proof of their participation in the project by means of several methods of recognition:

- Training Certificate
- Europass Certificate
- ECVET Transcript
- Linguistic Certificate

Work Placement in Companies

euroMind secures internships in almost all VET fields, some examples include:

Agriculture

Student Residence (full board)

euroMind offer its high quality student residential houses both in Úbeda and Seville. Our residences are ideal to accommodate large groups up to 25 people.

Services provided:

- Spacious shared rooms for students
- Private rooms for teachers accompanying the group
- 3 meals per day (breakfast, lunch & dinner)
- Cleaning service and laundry facilities
- Rooms are equipped with air-conditioning and heating system
- Free Internet access (Wi-Fi) and game areas
- Open air areas (swimming pool or terrace, barbecue...)

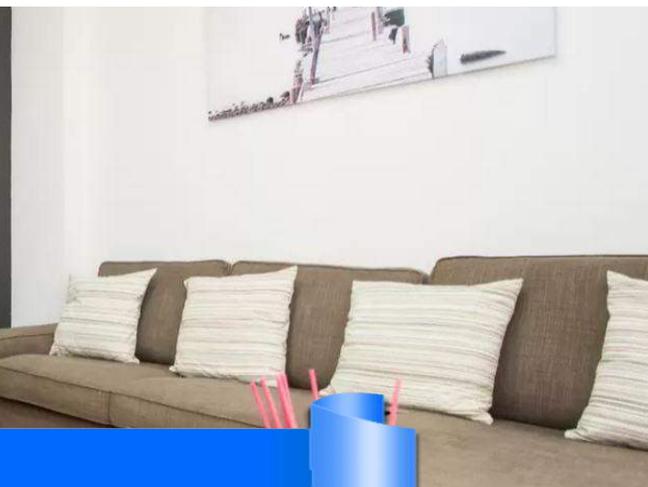

Training for VET Teachers & Staff

euroMind prepare and deliver tailor-made training programmes in local companies & VET schools, the aim of which is to enhance the professional development of VET staff.

VET Teachers & Staff can take part in the following training programmes:

- Job shadowing in Spanish VET schools
- Teaching in Spanish VET schools
- Placements in companies
- Structured courses

Accommodation for teacher programmes

euroMind offer a number of touristic apartments of high standard situated in the centre of the city.

This self-catering accommodation option includes kitchen facilities, free Internet access, sheets & towels, laundry facilities and utility bills

Spanish Course

We use an interactive method of teaching based on learning by practising. That means that grammar is covered by using practical situations.

Our classes are mostly focused on the vocabulary and practical language that can be used by trainees during their work placement.

Trips & Cultural Activities

It is important for us to make your group's stay in Spain a completely unforgettable experience! For that reason, we make sure that your group will make the most of our fantastic and rich culture.

euroMind organizes trips to amazing cities:

- Malaga
- Gibraltar
- Granada
- Ronda
- Cadiz
- Tavira (Portugal)
- Cordoba
- Beach day

... and interesting cultural activities:

- Tapas night
- Sevilla Football Club stadium tour
- Visit to an olive oil factory
- Flamenco show
- Bull fight ring
- Sport activities with local people
- Bike city tour
- And many more...
