ABOUT US

Since 1958, **APRO Formazione** aims at preparing young people to easily enter the labour market and at promoting lifelong learning for employees.

APRO Formazione is specialized in the management of education and training mobility projects for students, apprentices, youth, adults, teachers, trainers and educational staff.

We hold the **Erasmus+ VET Mobility Charter**.

We actively participate, as promoters and partners, in European projects such as Erasmus+ KA2 and Partnerships in the following topics: mobility, work based learning, ECVET, employability, e-learning, didactic innovation, digital, etc.

APRO Formazione collaborates with **over 200 private companies and organizations** in the city of Alba that host participants, helping and encouraging them to improve their technical and linguistic skills.

At international level, APRO Formazione collaborates with **more than 40 international organizations** such as VET schools, high schools, universities, public entities and associations in 17 countries.

We receive participants from all over Europe and we organize **internships** for them in various vocational areas, as well as **professional visits and courses**.

Mobility projects are generally funded by the European **Erasmus+** programme or the European Social Fund (**ESF**), but also by national, regional or local funds.

ALBA AND THE UNESCO HILLS

Funded by the ancient Romans, Alba is located in the heart of Langhe, Roero and Monferrato, recently declared **UNESCO World Heritage Site**.

One million tourists visit the town each year, attracted by its typical products, like **wines** and **white truffle**.

Many restaurants located in the area are **Michelin starred restaurants**.

Many **festival and events** live up the cultural life in Alba: the International Truffle Fair , Movida y Comida, Alba Jazz Festival, Vinum, Folklore festival.

Ferrero and Miroglio industries, and wine cellars drive the **industrial development** of the area.

Alba has a **strategic position**. We are:

- 60 km from Turin;
- 150 km from Milan and Genoa;
- 80 km from the Alps;
- 80 km from the seaside.

WHAT WE OFFER

INTERNSHIPS IN COMPANY

Apro Formazione organizes each internship considering the participant's curriculum vitae, his or her language knowledge, professional experience and future expectations. We guarantee constant tutoring and support, document management and certification of qualifications.

Apro Formazione holds the Erasmus+ VET Mobility Charter and applies the same quality to both outgoing and incoming mobility.

TRAINING COURSES

APRO Formazione organizes training courses for students, apprentices, adults, and youth from several countries.

The courses, lasting one or more weeks, require a minimum number of 10 participants. Those can be scheduled before the training internships to increase the knowledge of the profession and the participants' competences.

PROFESSIONAL VISITS

Apro Formazione organizes training on the job, job shadowing and professional visits addressed to trainers, teachers, and educational and training staff. All courses can be tailored according to our partner's needs.

We yearly host groups of professionals who are interested in knowing and understanding the training system and practices developed in Piedmont, thus fostering the development of new cooperation and international projects.

AIRPORT TRANSFER

Round-trip shuttle bus from airports/ train stations to the accommodation.

LOCAL TRANSPORT

Weekly or monthly local bus card to reach the hosting companies and the city centre.

ACCOMMODATION

Single, double or shared apartment in the Alba Village Hotel. The accommodation provides swimming-pool, bike rent, bar and restaurant services, and is located near our school and the city sport area.

POCKET MONEY

If requested, participants are provided with weekly or monthly pocket money.

LANGUAGE COURSES

Educational programs for people of all levels and ages with dynamic, interactive and flexible study methodologies, to better adapt to each student.

COMPANY VISITS

Visit the best companies for the development of your training programme.

CULTURAL ACTIVITIES

Discovery of the wonderful territory of Piedmont with sightseeing and journeys.
Enter in contact with the local people with sports and cultural activities.

MONITORING, EVALUATION, CERTIFICATION AND FINAL REPORT

Accurate and quality Monitoring, Validation and Certification system to assure
the success of your project. Tools and instruments
are shared and set up with partners.
The final report sent to our partner within two
weeks from the end of the mobility.

24/7 ASSISTANCE

“24 hours a day, 7 days a week” assistance for
emergencies.

ECVET

ECVET network member. Use of the European
Credit Transfer System for Vocational Education and Training (ECVET) tools and
instruments for all placements.

EUROPASS

Europass Mobility Certificate granted to each participant.
